

Vorläufige Preisinformation (nicht verbindlich!)

All in One Solar Street Light

Features:

1. Infrared sensor: 100% brightness when people coming, 50% brightness after 1 min people left
2. Light control: work automatically at night.
3. Battery can be changed when life is over.

3. 50% brightness when on one in the sensor area

4. 100% brightness when people in sensor area, will last for 60s

5. Back to 50% brightness after people left

Item No.	Watt	Photo	Spec	Unit Price(EUR/set)		
				1~10	11-100	>100
TP-LD-10W	10W		* Unit Size: 560*280*90mm * Material: metal, aluminum * Solar panel: 15V/15W mono crystalline silicon * Battery: 12V/7AH Li-on battery, 5 years life * LED: 12V/10W USA Bridgelux LED, lumens: 1000-1100LM * Lighting Angle: 120 degree * Working time: 72 hours after fully charged * Installation Height: 3-5M * Package: 2pcs/ctn, carton size: 62*21*27cm., 0.048CBM	EUR 181.72	Größere Mengen auf Anfrage	
TP-LD-20W	20W		* Unit Size: 900*300*130mm * Material: metal, aluminum * Solar panel: 15V/30W mono crystalline silicon * Battery: 12V/14AH Li-on battery, 5 years life * LED: 12V/20W USA Bridgelux LED, lumens: 2000-2200LM * Lighting Angle: 65*130 degree * Working time: 64 hours after fully charged * Installation Height: 3-5M * Package: 2pcs/ctn, carton size: 93*34*26cm., 0.082CBM	EUR 330,14		
TP-LD-30W	30W		* Unit size: 1130*300*130mm * Material: metal, aluminum * Solar panel: 15V/40W mono crystalline silicon * Battery: 12V/20AH Li-on battery * LED: 12V/30W USA Bridgelux LED, lumens: 3000-3300LM * Lighting Angle: 65*130 degree * Working time: 61 hours after fully charged * Installation Height: 4-6M * Package: 1pcs/ctn, carton size: 122*23*35cm., 0.099CBM	EUR 443,68		

TP-LD-40W	40W		<ul style="list-style-type: none"> * Unit size: 1130*361*130mm * Material: metal, aluminum * Solar panel: 15V/60W mono crystalline silicon * Battery: 12V/30AH Li-on battery,5 years life * LED: 12V/40W USA Bridgelux LED, lumens: 4000-4400LM * Lighting Angle:65*130 degree * Installation Height: 4-6M * Working time: 69 hours after fully charged * Package: 1pcs/ctn, carton size: 122*37*18cm, 0.08CBM 	EUR 495,36		
TP-LD-50W	50W		<ul style="list-style-type: none"> * Unit Size: 1130*450*130mm * Material: metal, aluminum * Solar panel: 15V/70W mono crystalline silicon * Battery: 12V/40AH Li-on battery * LED: 12V/50W USA Bridgelux LED, lumens: 5000-5500LM *Lighting Angle:65*130 degree *Installation Height: 5-7M * Working time: 76 hours after fully charged *Package:1pcs/ctn, carton size: 122*52*18cm, 0.114CBM 	EUR 705,64		
TP-LD-60W	60W		<ul style="list-style-type: none"> * Unit Size: 1130*450*130mm * Material: metal, aluminum * Solar panel: 15V/70W mono crystalline silicon * Battery: 12V/40AH Li-on battery, 5 years life * LED: 12V/60W USA Bridgelux LED, lumens: 6000-6600LM *Lighting Angle:65*130 degree *Installation Height: 5-7M * Working time: 64 hours after fully charged * Package: 1pcs/ctn, carton size: 122*52*18cm, 0.114CBM 	EUR 739,86		

Garantie:

3 Jahre
ausgenommen Naturgewalten und Randalde

InstallationsHinweis:

Installation in der Höhe von 5-7 m, Distanz zwischen den Panelen 20-25 m, Ø Pfosten 60-85 mm
